Description

This Ford Focus 1.5 EcoBlue Titanium Auto Euro 6 (s/s) is a modern and versatile compact hatchback that combines performance, comfort, and technology. Engine: It features a 1.5-liter EcoBlue diesel engine, known for its efficiency and torque, making it ideal for both city driving and longer journeys with good fuel economy. Transmission: The vehicle comes with an automatic transmission, providing smooth gear changes and convenience, especially in stop-and-go traffic. Emissions: As a Euro 6 model with a stop-start system (s/s), it complies with stringent emissions regulations, which helps reduce environmental impact and enhances fuel efficiency. Body Style: The Focus is a 5-door hatchback, offering practical access for both front and rear passengers and sufficient cargo space, making it a versatile choice for everyday use. Trim Level: The Titanium trim typically includes a variety of features aimed at comfort and technology, such as: An upgraded infotainment system with connectivity options. Additional convenience features like automatic lights and wipers. Advanced safety technologies to enhance driving safety. Colour: This model is finished in silver, providing a sleek and modern appearance. Overall, the Ford Focus is well-regarded for its engaging driving dynamics, spacious interior, and advanced technology, making it a strong

competitor in the compact car segment. If you have any further questions or need additional information about this vehicle, feel free to ask!
