Description

This Ford Kuga ST-Line First Edition, registered in 2021, offers a blend of style and practicality. Equipped with a 1.5L diesel engine and meeting Euro 6 emission standards, this Kuga combines performance with environmental consciousness. The ST-Line First Edition trim adds a sporty edge to this versatile vehicle. This Kuga boasts several features designed to enhance your driving experience. The Driver Assistance Pack includes Blind Spot Assistance, Adaptive Cruise Control, and front and rear parking cameras, making navigating busy streets and tight parking spaces easier. The Technology Pack adds a Head-Up Display and LED headlights for improved visibility and convenience. The hands-free power tailgate offers easy access to the boot, while automatic headlights and front and rear parking sensors further enhance the vehicle's user-friendly design. With a fuel economy of 55 mpg, this Kuga stands out for its efficiency. Furthermore, its low insurance group and low CO2 emissions make it an economical choice for drivers.
