Description

This 2022 Ford EcoSport T Titanium presents an exceptional opportunity with its remarkably low mileage of just 8281 miles, having been owned by only one careful keeper. This stylish SUV is equipped with a responsive 1.0L petrol engine and meets Euro 6 emissions standards. Notable features include a Rear View Camera Pack for enhanced parking, Electronic Automatic Temperature Control for effortless climate management, and automatic headlights that adjust to ambient light conditions. The Titanium trim also benefits from LED low beam headlights and rear parking sensors, making every journey more convenient and secure. The fuel economy of this Ford EcoSport is a significant highlight, achieving an impressive 46 miles per gallon, which indicates its efficiency compared to other vehicles in its class. Furthermore, its low CO2 emissions contribute to a more environmentally conscious driving experience. This combination of excellent fuel efficiency and low emissions, alongside its minimal mileage and single owner history, makes this EcoSport a standout choice for those seeking a well maintained and economical compact SUV.
