Description

This 2022 Ford EcoSport ST-Line T is a standout choice, boasting exceptionally low mileage of just 9719 miles from its single owner. This stylish compact SUV features a responsive 1.0L petrol engine and meets Euro 6 emissions standards. Inside, you'll find comfort and convenience with Electronic Automatic Temperature Control (EATC) for effortless climate management and automatic headlights that switch on when needed. For added peace of mind, the rear view camera pack and rear parking sensors make manoeuvring in tight spaces simple. The EcoSport ST-Line T offers impressive efficiency, achieving a notable 46 miles per gallon, which indicates it is more economical than many similar vehicles. Its low CO2 emissions further highlight its environmental consideration. This well maintained vehicle presents a compelling option for those seeking a practical and feature rich compact SUV with excellent provenance.
