Description

This 2016 Volvo V40 D2 R Design Pro presents an exceptional ownership proposition with its remarkably low mileage of just 62,948 miles and a history of only two owners. This Euro 6 compliant 2.0L diesel hatchback combines sporty R Design Pro styling with practical features, including a Winter Pack with heated seats, rear park assist, auto on headlights, and a Bluetooth handsfree system for seamless connectivity. Inside, you'll find electronic climate control with a pollen filter, ensuring a comfortable cabin environment in all conditions. The V40 D2 R Design Pro stands out with its impressive fuel economy, achieving a remarkable 79 miles per gallon, which is significantly better than many other vehicles in its class. Its low CO2 emissions and low insurance group further contribute to its cost effectiveness. For those needing practicality, the large boot space offers ample room for luggage or shopping. Performance is also well balanced, with a 0 to 60 mph acceleration time of 9.8 seconds, providing a responsive driving experience.
