Description

This 2019 Ford Kuga TDCi ST-Line offers an exceptional ownership proposition with its remarkably low mileage of just 30949 miles. This Euro 6 compliant, four wheel drive model is powered by an efficient 2.0L diesel engine, making it a capable and economical choice. The ST-Line trim level ensures a sporty aesthetic and includes desirable features such as DEATC dual zone electronic automatic temperature control for personalised comfort, and automatic halogen headlights with distinctive LED daytime running lights. Navigating tight spaces is made effortless thanks to the Enhanced Active Park Assist, which incorporates front and rear parking sensors. Inside, you'll find the Ford DAB Navigation System complete with Ford SYNC3 and Bluetooth connectivity, keeping you informed and entertained on every journey. These carefully selected features and the outstanding provenance of this Kuga demonstrate its superior appeal compared to other vehicles in its class.
