Description

This 2017 Ford Focus Titanium X presents an exceptional ownership proposition with its remarkably low mileage of just 22,559 miles, having been cherished by only one owner since new. Powered by an efficient 1.5 litre petrol engine meeting Euro 6 emissions standards, this model offers a compelling blend of performance and economy. The Titanium X trim level ensures a premium experience, enhanced by features such as advanced Bi-Xenon headlights for superior visibility, a helpful rear view camera complemented by front parking sensors for effortless manoeuvring, and a Bluetooth handsfree system for seamless connectivity on the go. Inside, you will appreciate the dual zone electronic automatic climate control, ensuring comfort for all occupants. The Ford Focus Titanium X stands out with its impressive acceleration, reaching 0-62mph in a brisk 8.6 seconds, demonstrating its spirited performance. This particular example also boasts a generously sized boot, offering ample space for shopping, luggage, or sporting equipment, making it a practical choice for everyday life and longer journeys. These highlights, combined with its low mileage and single owner history, position this Focus as a superior option compared to other vehicles of its age and class.
