Description

This 2022 Volkswagen up! presents an exceptional ownership proposition, having been cherished by just one owner from new and displaying remarkably low mileage of only 17243 miles. This compact city car, powered by an efficient 1.0 litre petrol engine, meets Euro 6 emissions standards. Inside, you'll find practical comfort with manual air conditioning and the convenience of Bluetooth for both telephone calls and audio streaming, connecting seamlessly with compatible devices. The Volkswagen up! is designed to be an economical choice, boasting an impressive fuel economy of 55 miles per gallon. Its low CO2 emissions and placement in a low insurance group further highlight its cost effectiveness, making it a sensible and appealing option for everyday driving compared to many other vehicles in its class.
