Description

Boasting exceptionally low mileage for its registration year, this 2025 Ford Ranger Raptor presents a remarkable opportunity. This T V6 Raptor derivative, powered by a robust 3.0L V6 EcoBoost petrol engine, delivers an impressive 288 bhp and features a capable Four Wheel Drive drivetrain. It meets Euro 6 emission standards and comes equipped with a host of desirable features, including a heated steering wheel, heated front seats, front parking aid for enhanced manoeuvrability, and a premium branded sound system as part of ICE Feature Pack 106. The vehicle also benefits from advanced Level 3 LED headlights for superior visibility. The Ford Ranger Raptor stands out with its powerful 288 bhp engine, offering a more dynamic driving experience compared to other vehicles in its class. The inclusion of a heated steering wheel and heated front seats ensures comfort in all weather conditions, while the front parking aid simplifies parking in tight spaces. Furthermore, the premium branded sound system elevates the in car entertainment, making every journey more enjoyable. With only 9345 miles on the clock, this Ranger Raptor represents a fantastic blend of performance, comfort, and advanced technology.
