Description

This 2021 Kia XCeed CRDi 3 offers a practical and well-equipped driving experience for those seeking a modern crossover. As a 2021 model, this vehicle features a 1.6 litre diesel hybrid engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The interior is designed for comfort and convenience, featuring a heated steering wheel and Apple CarPlay with voice control for seamless connectivity. Visibility is enhanced by LED bi-function projection headlights with automatic control, while the reversing camera system with dynamic guidelines assists with parking manoeuvres in tight spaces. The efficiency of this vehicle is a significant advantage, as it achieves an impressive 55 mpg, which helps to reduce running costs over time. Beyond its fuel economy, the car is notable for its low CO2 emissions and falls into a low insurance group, making it a sensible choice for budget-conscious drivers. These combined attributes position the XCeed as a balanced option for those who prioritise economical motoring without compromising on the essential technology and features expected in a contemporary vehicle.
