Description

This 2019 Volkswagen Polo EVO SE has covered a very low 33,288 miles, making it an excellent choice for those seeking a well-maintained vehicle. This hatchback is powered by a 1.0-litre petrol engine that meets Euro 6 emission standards. Inside, the cabin is equipped with a Composition Media System that includes Bluetooth connectivity, alongside Car-Net App Connect which supports both Android Auto and Apple CarPlay. For added convenience, the vehicle features manual air conditioning and halogen clear headlights that are range adjustable, complete with separate daytime running lights and an automatic on function. The Polo stands out in its class due to its practical design, offering a large boot space that provides plenty of room for luggage or shopping. It is also an economical option to run, benefiting from low CO2 emissions and a low insurance group rating, which helps to keep overall ownership costs manageable. These attributes combine to make this model a sensible and efficient choice for daily driving, balancing everyday usability with cost-effective performance.
