Description

This 2021 Suzuki Swift SZ-L is a practical and efficient hatchback that has been well maintained by its single previous owner. With a low mileage of 19,524 miles, this vehicle offers a reliable option for those seeking a modern and capable car. It is powered by a 1.2 litre petrol hybrid engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations while providing a smooth driving experience. The vehicle is equipped with a range of features designed to enhance convenience and safety on the road. Drivers benefit from adaptive cruise control for easier motorway journeys and a rear parking camera to assist with manoeuvring in tight spaces. The interior includes a smartphone linkage display audio system, which supports both Android Auto and Apple CarPlay for seamless connectivity. Visibility is improved by the inclusion of LED projector headlamps and LED position lamps, while the efficient hybrid engine delivers an impressive fuel economy of 60 mpg, making this an economical choice for daily commuting.
