Description

This 2023 Kia Picanto DPi 2 is a practical and well-maintained hatchback that has had only one owner from new. With a very low mileage of just 8,798 miles, this vehicle offers a reliable option for those seeking a nearly new car. It is powered by a 1.0-litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. The vehicle is designed to be economical to run, featuring a fuel economy of 54 mpg and low CO2 emissions, which helps to keep ongoing costs down. It also sits in a low insurance group, making it an accessible choice for a wide range of drivers. Inside, the cabin is equipped with air conditioning for comfort, while the inclusion of Bluetooth with music streaming allows for easy connectivity. Additionally, the automatic headlight control provides added convenience by managing the lighting system for you, ensuring the car is well-equipped for daily driving.
